Samarin Children

Here are my two children, Tatiana and Vladimir, born in the United States, whom the Soviet Authorities here are hunting as traitors and enemies of the Soviet regime.

M. Samarin

This is a photograph of picture and accompanying note sent the New York Times by Michael Ivanovitch Samarin, Russian school teacher. The note gives his explanation of status of children, twins, born in the U.S. Samarin had accepted a subpoena to appear before the House Un-American Committee in Washington.

Fair Entry Date Put Over to 16th To Help Farmers

Estimate Is 8,000 Will Attend Forsyth Event for Exhibits and Other Features

More general interest is being shown in the Ulster County Fair and Farmer's Field Day, to be held at Forsyth Park on Wednesday, August 18, than in any previous year, Secretary Albert Kurdt said today.

The weakest point now, he said, is the small number of individual agricultural entries in open classes to compete for the \$8,000 offered by the Ulster County Agricultural Society as cash premiums.

Apparently, farmers are just too busy and short-handed to prepare entries, he added, and announced on Page Twenty-four.

Polite Bandits Rob Cuban Bank of \$562,000 in Cash

Ten Invaders Are Armed but No Shots Fired; Escape Without Leaving Trace

Havana, Cuba, Aug. 12 (AP)—Cuban police today sought a polite band of robbers who stroled into a midtown Havana bank yesterday and sauntered out again with \$562,000 in cash.

All airports, ships and trains are being watched for the smooth-working bandits who herded 18 persons into a rear room of a branch of the Royal Bank of Canada just after the 3 p. m. closing time, then looted the bank's vault and cashier's cage without being molested.

The robbery was executed by eight or ten men led by one dressed in a policeman's uniform. Although they were armed with pistols and machineguns not a shot was fired.

Taken Guard

As the group entered the bank, the uniformed leader politely told the door guard in Spanish: "These gentlemen are coming in with me—and so are you. Kindly take a place right behind me, and don't try to draw your gun or the gentleman behind me will shoot you full of holes."

They then ordered Branch Manager Esteban Juncadella, 15 other employees, a bank guard and three customers into the rear room.

Several of the gang escorted the manager into the vault. One wanted him.

"Don't be nervous, but don't try," he said.

Japanese Beetle Invasion of Local Cornfields Studied

Heavy infestation of Ulster county's sweet corn crop by the Japanese beetle is under study of the county agricultural agent and a representative of the State Department of Agriculture, it was learned today.

The area most seriously affected, the state agent said, is that in the Rondout valley between Ellenville and Kingston, and although the situation is causing concern to growers, it is not expected to result in serious curtailment of shipments.

The plan now is to "handle the problem through the co-operation of the individual shippers," the state agent said, to prevent including the area under a federal quarantine.

Shipments of sweet corn will not be allowed to go beyond a currently regulated area, the agent reported, but since this area extends as far west as Cleveland, south to Washington and includes the New England states, the growers are allowed to market their corn virtually unrestricted.

Occasional shipments of corn have been made by county growers to Florida, the agent said, but prevention of these this year, would probably mean little if any loss to the growers.

No curtailment of shipments to the metropolitan area is to be made or to other areas in the east where the beetle is now reported as plentiful as in this county.

The problem was discussed at Albany yesterday, and it was decided then to get along as far as possible without imposing serious restrictions on the area.

County Agricultural Agent William Palmer was reported making investigations among the sweet corn growers today.

State Department Reports Reds Jam 'Voice' Programs

Washington, Aug. 12 (AP)—Evidence of deliberate Soviet jamming of "Voice of America" broadcasts to Russia was reported today by State Department officials.

They said that reports reaching Washington from radio monitors in Europe indicate the interference is originating well inside Russia.

Several months ago the United States protested to Moscow against the howls and squeals that were being heard in American broadcasts to the Far East. But today's was the first report of what appears to be Russian jamming of radio waves on the European side of the Soviet Union.

Officials here said the government has made no protest about the new situation because of a desire to handle the matter quietly and informally.

Information about the interference—which officials described as more like "heckling" than outright jamming—became known here as it was learned that the State Department has projected

Farm Prices Drop May Be Inflation Check Within U.S.

Tobin Will Serve As Labor Secretary; May Help Truman

Ex-Massachusetts Chief Is Well-Liked by Unions; May Hit T-H Law

Washington, Aug. 12 (AP)—President Truman added a record vote-getter to his cabinet today and Democratic party aides hoped the newcomer, Maurice J. Tobin, would help corral the labor ballot in November.

Tobin stepped out of the Massachusetts governor's race last night to accept the post of secretary of labor which has been vacant since the death of Lewis B. Schwellenbach June 10.

The 47-year old New Englander brings to Washington a political record in which (1) he twice defeated James M. Curley for mayor of Boston, the stronghold of that veteran Democratic party leader; (2) in winning the Bay state's governorship in 1944, he became the first candidate to top the million-vote mark in a gubernatorial race there. In fact, Tobin polled 13,000 more votes than the late President Roosevelt received in the state.

Well-liked by union organizations, Tobin was expected to take a major part in the Truman election drive, stressing the Democratic pledge to seek repeal of the Taft-Hartley Labor Law.

The President nominated Tobin last Saturday but the Senate did not act on the nomination.

Other Things Get Careful Scrutiny by Economists for Trends

New York, Aug. 12 (AP)—Is inflation being checked?

Many farm prices recently have plunged below the bottom they reached during the February commodity price break, and in the opinion of many will not go up again. Reports this week of bountiful crops seemed to confirm these forecasts.

The notable exception, of course, is livestock, and consumers can expect high prices for meat for some months.

Farm prices are the traditional bellwether for all the prices the consumer has to pay. Historically they rise first and drop first in general price movements.

Business leaders, economists and Wall Street are all watching the nation's markets closely these days along with farmers, trying to figure out what lies ahead for the whole economy.

They are watching to see whether industrial raw materials and other things that eventually figure in the cost of living will follow farm prices down—or stabilize without further price increases.

The overall price structure fails to reflect some of the internal changes that have been taking place, and these may be significant for all of us.

Steel and Wheat

For instance, the price of steel billets has gone to \$52 a net ton compared with \$45 two months ago, but wheat closed yesterday at \$2.20 a bushel compared with \$2.36 1/2 on June 11.

Lead is 19.3 cents a pound against 17.3 two months ago, but corn closed yesterday at \$2.07 a bushel compared with \$2.35 1/2 on June 11. Zinc is 15 cents a pound against 12 cents two months ago but cotton declined from 38.2 cents a pound to 32.4.

The latest Associated Press week-to-week index of wholesale commodity prices stood at 189.02, with a 1926 base of 100. The index was at a high of 208.14 on January 9 and reached a low of 184.81 on March 12 following the February break in commodities.

But the six groups of commodities making up the composite figures showed differing and even opposite trends. This table shows how the individual groups behaved.

Group	Now	Feb. Low	Jan. High
Industrial raw materials	178.66	170.88	176.16
Non-ferrous metals	191.26	167.11	167.11
Livestock	264.74	201.63	255.51
Textiles	165.95	185.18	244.32
Agricultural (grains, cotton)	196.34	207.62	259.16
Food staples	151.85	146.26	165.58

Thus it can be seen that industrial raw materials, including such items as steel, lumber, cement, petroleum, soft coal and rubber, have advanced above the high of last January. So have the non-ferrous metals—antimony, tin, zinc, lead and copper. So have livestock.

Food Staples

The food staples group—eggs, sugar, cocoa, coffee, flour, lard and butter—is five points above the low reached after the February price break but nearly 14 points under the January high. Grains and cotton are 11 points under the February low and 53 under the January high. Textiles are down 20 points from the March low and 78 under the January high.

February's break in agricultural commodities was too short-lived to test the theory that other commodities follow. The stimulus of the European Recovery Plan, the U. S. defense program and an income tax cut was followed by another general upward surge before the price drops could reach the detail level and affect the average man's living costs.

The present down trend in agricultural products other than livestock may mean that the end of inflation can be charted.

Babe Ruth Makes Slight Rally; His Condition Critical

New York, Aug. 12 (AP)—Babe Ruth, baseball's mightiest slugger of all time, rallied slightly today but doctors described his condition as still critical.

The 53-year-old former New York Yankee star, ailing for two years (entered a hospital here last June. He suffered a relapse yesterday after developing a cold.

A bulletin, issued from the hospital at 8:31 a. m. (E.S.T.) today by Dr. Hayes Martin, said:

"Babe Ruth rallied this morning. His pulse is stronger, condition improved, although still critical."

Visitors to the home run king's bedside today included his wife, Mrs. Claire Ruth, his daughter, Mrs. Richard Flanders of North Conway, N. H.; his sister, Mrs. Wilbur Moberly of Baltimore, and James E. Chapman, personal physician.

Third Berlin City Bureau Is Threatened With Split

Berlin, Aug. 12 (AP)—A third bureau of the elected Berlin city government was threatened today with a splitup between Russian and non-Communist control.

The Communist head of the labor department refused to abide by a decision of the city government to give the anti-Communist faction of the Trade Union Federation rights to negotiate with employers. He insisted that only the Communist faction, backed by the Russian, had such powers.

The city police and food administrations already have been split by Communist refusal to accept government orders.

The anti-Communist press said "complete chaos" prevails in the administration office the Russians established to handle their proposed feeding of all blockaded Berlin. It was this bureau which crowded out regular city government food officers from their offices in the city hall, located in the Russian sector.

In further evidence of food shortages in the surrounding Russian zone of Germany, Russian-licensed newspapers reported punitive measures. A dozen Germans were jailed in Saxony for "stealing" crops from fields. Creamery operators at Mecklenburg were sent to prison for under-the-counter delivery of dairy products.

Facilities Expanded

The American military government said it is expanding radio teletype facilities to handle communications should the Russians be recovered.

Frances Suski, 19, Held for Larceny

First Avenue Girl to Face Grand Jury; Seized at Bus Station

Frances Suski, 19, of 389 First Avenue, was arrested by state police early this morning on a second degree grand larceny charge about 10 minutes before she was about to board a bus for New York, Sgt. Arthur Reilly of the R.C.I., said today.

The arrest came about two hours after a complaint had been received from Les Lila, a restaurant near Mt. Marion. The management there reported items valued at about \$225 missing from the place, the police said.

These included a pearl and diamond ring valued at \$150, camera, electric iron, cigarette lighters and bracelets, Sgt. Reilly said.

The police said the girl had been employed as a waitress and was discharged Wednesday. Loss of the items was not discovered until about midnight.

Sgt. Reilly and Trooper J. Harrison found that the girl was not at her home and they sought her elsewhere including the bus station where she was arrested by Patrolmen Charles Hoehing and Thomas Tomshaw and turned over to the troopers.

Arraigned before Peace Justice Percy Bush, town of Ulster, the girl waived examination and was held for the grand jury.

The police said all of the items were recovered.

Bail Is Forfeited

John W. Jenkins, 41, and Mrs. Catherine Minick, 42, both of Baltimore, forfeited \$10 bail each by failing to appear in city court today to answer disorderly conduct charges. They were arrested at Broadway and Thomas street at 2:30 p. m. Wednesday by Patrolman Louis Sapp, Jr., who charged them with panhandling, which under the city charter is termed disorderly conduct. Michael McCarty, 63, of Waterbury, Conn., who was arrested by Sapp at 3:50 p. m. Wednesday for panhandling, was given a suspended sentence.

Accuses U. S. of Snatch

Moscow, Aug. 12 (AP)—Pravda accused the U. S. Federal Bureau of Investigation today of kidnapping two Soviet school teachers. Devoting nearly a full page to the cases of Mrs. Oksana Stepanovna Kosenkina and Mikhail Ivanovitch Samarin, Pravda charged the United States with "gangster tactics."

"He has a radio," Lynch said, "but he's never been able to contact us. The Navy report is the last we've heard. They're in the hands of the gods now."

The Navy contacted Lynch after the two travelers hailed a destroyer and asked that "Lynch" at a New York city telephone

Samarin Is To Be Heard At Capital

Consul General Ordered to Bring Russian Teacher Into Court Today

Hearing Is Secret

Committee Will Take Samarin Testimony in Secrecy

Washington, Aug. 12 (AP)—Russia protested to the United States today against New York court directing the Soviet Consul in New York city to produce in court a Russian school teacher.

The State Department promptly telegraphed Governor Thomas E. Dewey asking that any further action against the consul be held up for the time being.

Russia's move and the department's action was announced by a State Department spokesman.

Decision Reserved

New York, Aug. 12 (AP)—A State Supreme Court Justice today reserved decision on a writ of habeas corpus brought to free a Russian school teacher secluded in the Soviet consulate here.

The court took the writ under advisement after attorney for the petitioner, Christopher Emmet, sought writs of seizure against both the consul general and Mrs. Oksana Stepanovna Kosenkina.

State Supreme Court Justice Samuel Dickstein said he was delaying action "because of the international questions involved here."

New York, Aug. 12 (AP)—Soviet Consul General Yakov M. Lomakin today defied a Supreme Court writ ordering him to produce in court a Russian school teacher wanted for questioning in the Communist spy investigation.

The consul general had been ordered to bring the woman, Mrs. Oksana Stepanovna Kosenkina, into court at 9:30 a. m. (E.S.T.) but neither had appeared by 10:20 a. m.

Present in the courtroom was Countess Alexandra Tolstoy, president of the Tolstoy Foundation, who was expected to testify in connection with the writ.

The countess was asked by reporters whether Mrs. Kosenkina was anywhere in the packed courtroom. She rose and scanned the faces and told the newsmen that the woman was not present.

Mrs. Kosenkina has been secluded in the Soviet consulate here since last week when Lomakin announced he had "rescued" her from a White Russian retreat at Valley Cottage, N. Y.

The retreat is operated by Countess Tolstoy. The countess termed Lomakin's story a "lot of baloney," and said Mrs. Kosenkina fled Valley Cottage because she was afraid of being shot.

Lomakin, served with the writ issued by State Supreme Court Justice Samuel Dickstein, indicated yesterday that he would ignore it.

Before Mrs. Kosenkina's scheduled court appearance, a man who identified himself as a representative of the U. S. Immigration and Naturalization Service visited the consulate, briefly to serve additional papers.

He said, however, that the papers did not concern Mrs. Kosenkina or another Russian teacher, Mikhail Ivanovitch Samarin, who also is expected to testify before the House Un-American Activities Committee.

Samarin's whereabouts reportedly are known only to the F.B.I. and federal officials.

W. Frank Watkins, district director of the immigration service, said he knew nothing about the new papers.

Earlier, Lomakin brushed aside newsmen's questions as to whether he would bring Mrs. Kosenkina into court. He said he was "too busy" to answer any queries.

'Duck' With Two Aboard Is on Its Way Around World

New York, Aug. 12 (AP)—A 17-foot "duck" with two persons aboard, is reported chugging along far out on the Atlantic in the first lap of a planned trip around the world.

The passengers, an Australian major and his American wife, expect to make the globe-circling journey by both land and sea in their small amphibious craft.

News of the hazardous voyage came yesterday from Ware Lynch, an associate of the Australian.

Lynch said he had received a message from the U. S. Navy that a destroyer had sighted the "duck" and its two occupants 128 miles southeast of New York Monday.

He said the Australian, Major Benjamin F. Carlin, 35, and his wife, the former Elinore Arone, 29, of Boston, began their voyage from here Saturday.

"He has a radio," Lynch said, "but he's never been able to contact us. The Navy report is the last we've heard. They're in the hands of the gods now."

The Navy contacted Lynch after the two travelers hailed a destroyer and asked that "Lynch" at a New York city telephone

number be notified that "we're okay."

Lynch gave this account of how the couple came to attempt the trip:

Carlin, a Perth, Australia, mining engineer, was serving in China when he got the idea of transforming a duck, used in the war for the short haul from ship to shore, into a sea-going craft.

Later, in India, he met his wife-to-be, a Red Cross nurse from Boston. She liked his idea, and when he came to this country, she agreed to attempt the trip with him.

At Arlington, Va., Carlin spent many days and \$9,000 of his army savings in converting a military duck.

The couple plan to travel 25,771 miles by land and water, circling the world in six months. The truck-like vehicle travels 4 1/2 miles an hour in water, and 20 to 30 miles an hour on land.

Their route is from the Azores to the north coast of Africa, then through the Near East to Rangoon. From the Malay Peninsula they will go by Wake, Midway and other islands to Honolulu. Then comes the longest water lap—more than 2,300 miles to San Francisco.

Three Held in Bail For \$250,000 Thefts At Railway Express

New York, Aug. 12 (AP)—Three men described by police as part of a ring that stole \$250,000 in merchandise from the railway express agency were held in bail yesterday when they were arraigned in Bronx County Court before Judge James M. Barrett.

The men, who were arrested in a roundup disclosed by police July 30, and the bail in which they were held were: Raymond Morgan, 32, of 55 West 91st street, charged with grand larceny, \$7,500; James O'Connor, 27, of 1736 Second avenue, and Andrew Purchia, 30, of 589 Tinton avenue, the Bronx, both accused of criminally receiving stolen goods, both \$5,000.

Morgan was described as a platform man for the express agency, O'Connor as a former platform man, and Purchia as a salesman.

Wave Recruiting To Start Sept. 15

Washington, Aug. 12 (AP)—Women sailors are going to get the same recruit and advanced training as men, or as closely as possible, the Navy said today. Lt. Kathryn Dougherty, of Waterloo, Iowa, was named to boss the first peacetime "boot camp" for WAVES. Wave recruiting starts September 15, and Lt. Dougherty will get her first class of 160 on October 1, at the naval training center, Great Lakes, Ill. There'll be 160 more recruits every six weeks thereafter until the Navy fills its quota. The goal between now and next June 30 is 4,500 enlisted women. The first of 200 Wave officers for the regular Navy are now being selected.

Care Ordered for Red Children.

Moscow (AP)—The Ministry of Education of the U.S.S.R. has decreed that Soviet schools must provide for after-school activities of children in schools of working parents until their parents return from work. Soviet schools before the war did provide such facilities, the ministry says. There is a high rate of failure among students who spend after school hours on the street, and there have been

cases of serious accidents among such children, the ministry says.

MODENA

Modena, Aug. 11 — Regular meetings of the Modena 4-H Club have been discontinued during the summer months, owing to the lack of a leader. Mrs. Roy Jensen, who served in that capacity for a number of years, has resigned, and Mrs. Paul Arnold, one of the assistant leaders has left town. A group of members met recently at the home of Arlene Bernard, to plan an exhibit for the Ulster County Fair, to be held Wednesday, August 18, at Forsyth Park, Kingston.

The Public Health, Nursing Committee of the Town of Plattkill met Tuesday evening at the home of Mrs. Simon DuBois. Miss Flint, public health nurse, was present in the absence of the regular nurse, Miss Janet Hasbrouck, who was formerly in charge of this section of the county. Plans were discussed to purchase additional supplies for the loan closet. Attending the meeting were Mrs. Earl DeWitt, Mrs. Lillian Courter, Mrs. Frank Coy and the hostess.

3 Departments Handle Exhibits For County Fair

Entries for all agricultural exhibits at the Ulster County Fair and Farmers Field Day are handled by the three departments of the Ulster County Farm and Home Bureau and 4-H Club Association. All Homemaking entries are to be made at the Home Bureau Office, 230 Wall street. All 4-H Club Department entries are handled by the 4-H Club Office, 71 John street. Entries in all of the other departments of the fair are to be made at the Farm Bureau Office, 74 John street. If all of the classes in the premium list were filled, exhibitors could earn over \$3000 in cash awards. Entries for cash awards, as outlined in the published premium list, should be in by Saturday, August 11. This will give the officials time to arrange for the required space at the fair on Wednesday, August 18.

Although executive secretary of the Kingston Chamber of Commerce, Albert Kurdt still serves as secretary of the Ulster County Agricultural Society which operates the county fair. As secretary, he still has general supervision of the fair under policies established by the board of directors. This arrangement, requested by the directors of the Agricultural Society, has been approved by the directors of the Kingston Chamber of Commerce. Requests for commercial space at the fair on August 18 can be left at the Chamber of Commerce office or at the Farm Bureau office on John street.

State Liquor Authority Bans Minimum Charges

New York, Aug. 12 (AP)—The New York State Liquor Authority has banned the practice of some night clubs, restaurants and entertainment spots of setting minimum charges that could be used only for liquor.

The order, issued yesterday, will allow all patrons to use the minimum charges for food.

A bulletin from the executive department of the Division of Alcoholic Beverage Control declared: "A minimum charge to be applied only against the consumption of alcoholic beverages does not promote temperance and is contrary to the public policy of this state."

The bulletin also said that "imposition or collection of an additional charge for failure to purchase alcoholic beverages or of a minimum charge for alcoholic beverages shall be deemed cause for a revocation, cancellation or suspension of the license which engages in such practices."

Cover or minimum charges still will be legal if they are used for food as well as liquor, the bulletin explained. Most licensed places with a cover or minimum operate on this basis.

To Blast Dog Pound
Atlantic City, N. J., Aug. 12 (AP)—Commissioner Albert N. Sheehan announced the city will demolish one of its buildings because "it isn't fit even for a dog to live in." Sheehan said the building, which has concrete walls 14 inches thick, will be leveled by dynamite blasts. Occupants will be moved to a new home, he said. The building to be demolished is the city dog pound.

Worry of FALSE TEETH
Slipping or Irritating?
Don't be embarrassed by loose false teeth slipping, dropping or wobbling when you eat, talk or laugh. Just apply a little PASTEREAL on your teeth. This pleasant powder gives a remarkable sense of added comfort and security by holding plates more firmly. No gummy, sticky, nasty taste or feeling. It's alkaline (non-acid). Get PASTEREAL at any drug store.

ACCORD
Accord, Aug. 11—The Methodist Church will sponsor a food sale on the church lawn Saturday at 2 p. m.
The Rev. and Mrs. L. M. Braam of Paterson, N. J., called on friends in town Monday.
Kenneth F. Rider, Jr., is enjoying an auto trip on which he accompanied the Rev. and Mrs.

John Tysse and family. They are visiting points of interest en route to Holland, Mich., by way of the southern route.
Mr. and Mrs. William Stoddard of Yorktown Heights spent the week-end with Mr. and Mrs. John Miller.
The Reformed Church will be closed Sunday, August 15, and Sunday, August 22. The Rev. and Mrs. John Hart are enjoying their annual vacation. Services will be resumed Sunday, August 29.
Methodist Church, the Rev. B. C. Schmidt, pastor — Sunday school, 9:15 a. m.; worship service, 9:45 a. m.
Mr. and Mrs. William Love of New York and Mrs. Carl Miller of Kingston have been spending a few days with Mrs. Anna Smith.
A four-county meeting of the Rural Carriers Association was held at the Reformed Church last Saturday night. A baked ham supper was served by the Ladies' Aid to more than 50 carriers, their families and guests. A business session followed the banquet. The meeting was attended by carriers from many sections of the state.
Miss Elsie Rider, deputy town clerk, who was ill for a few days, has returned to her work.
Howard Anderson is remodeling the former Warren Ives home.
The town assessors held grievance day in the town clerk's office Tuesday afternoon.

McKENNEY ON BRIDGE
Here's Fine Point In Blackwood Bid
By WILLIAM E. MCKENNEY
America's Card Authority
Written for NEA Service
Today's lesson hand is taken from Florence Osborn's new book entitled "How's Your Bridge Game?", published by Whittlesey House of New York. This hand is No. 23 in the book, and it brings out a fine defensive point concerning Blackwood bidding.
You will note that in the second round of bidding, North bids four no trump, and South responds with five diamonds. This is a Blackwood response, showing only one ace. When North signs off with five spades, it can be assumed that he too holds only one ace and is afraid of the slam.
East opens the queen of hearts and declares plus low from dummy. What should West do?
First of all, West has five hearts, and there are three in the dummy. Assuming that East has opened from a four-card suit, there would be only one heart in declarer's hand.
Furthermore, Miss Osborn points out, North is more or less indicated that he has only one ace by signing off with five spades. That ace should be the spade ace, which would leave East with the ace of clubs. If East happens to hold the ace-queen of clubs, West's correct play at trick one is to go up with the ace of hearts and shift to the eight of clubs.
This defense immediately defeats the five-spade contract, as East cashes two club tricks.

Says More Taxes Won't Stop Inflation in U.S.
Albany, N. Y., Aug. 12 (AP)—Rep. Hugh D. Scott, Jr., G.O.P. national chairman, says the theory that more taxes will stop inflation is "just old-fashioned hogwash."
High taxes mean high prices, he says, and he accuses the Truman Administration of not being honest with the people on tax, price and inflation issues.
Addressing the Executive Committee of the Young Republican National Federation last night, the Pennsylvania Congressman said the Republicans aim "to re-establish honest government in Washington. He added:
"Instead of being honest with the people concerning these facts, the Truman Administration now has invented a wholly new device of deceit. It asks for more taxes to stop inflation."
"The theory behind that plea is that if you spend one of your own hard-earned dollars for roast beef, that is inflationary. But if the federal tax man gets the same dollar out of your pay envelope before you ever see it, that's not inflationary."
"Well, that theory is just old-fashioned hogwash," he declared.
Scott said the Democratic Administration "will tell the people honestly" that "cheap money makes higher prices," that "high taxes make high prices," and that "2,200,000 federal pay-rollers make high taxes."
Delegates to the young G.O.P. meeting represented 47 states and Puerto Rico.

'Shooting Stars' Are Expected to Drop Tonight
New York, Aug. 12 (AP)—The annual shower of perseid meteors is expected to be visible, beginning tonight, and for the next few nights.
Robert R. Coles, of the Hayden Planetarium, says that as many as 50 "shooting stars" may be counted during a single hour, if cloud conditions are favorable.
Each summer, in the earth's cycle around the sun, it passes through the orbit of the perseid meteors, thousands of which are caught annually in the earth's gravitation and plunge earthward.
They are extremely small and burn out high in the earth's atmosphere.

4-H Club Exhibits Will Be Greater at 1948 County Fair

Each year the 4-H exhibits at the Ulster County Fair and Farmers Field Day have been increasing in number and quality. The great number of entries in the 4-H office at this time gives promise that 1948 will be even larger. This year the Ulster County Fair and Farmers Field Day will be held Wednesday, August 18, rain or shine, at Forsyth Park, Kingston, N. Y.

The 4-H Club booth exhibits are now equal in number to last year. This is a special department where the 4-H Clubs can tell by exhibits what they have accomplished during the year. The following clubs have entered booths thus far: Lake Katrine Homemaking Club led by Mrs. Frank Ennis, "Pie Time"; the Lake Katrine Agricultural Club led by William T. Hookey, "Garden Insects"; the Fort Evening Homemaking Club led by Mrs. Floyd Ellsworth, "Outdoor Cookery"; the Clintondale Homemaking Club led by Mrs. Howard Simpson, "Good Breakfasts"; the Kyserville Community Club, led by Mrs. J. Sanford Cross, "Poisonous Plants"; the Plutarch Community Club, led by Mrs. Chester Elliott, "House Time Hobbies"; the Altaville Community Club, led by Mrs. John Conner, "Home Improvement"; the Modena Homemaking Club led by Mrs. Roy Jensen, "Measuring for a Pattern"; the Plattekill 4-H Homemaking Club, led by Mrs. A. Orlovski, "Tricks with Tools"; the Clintondale Boys Club, led by George Runk, "The Vegetable Bin"; the Mid-Way Club of Stone Ridge, led by Robert Keider, "The Contented Cow"; the Accord Hills, led by Mrs. Clifford Schoonmaker, "What to Wear"; the Rosendale Homemaking Club, led by Miss Louella Wilson, "Pie Time"; the Saxton Homemaking Club led by Mrs. George Sault, "Yeast Breads"; the Marlborough Agricultural Club, led by Mr. Hatuski; the Saugerties Agricultural Club, led by Howard A. Goetehus; the Rifton Rock School Homemaking and Agricultural Club led by Miss Anna Devine and Charles Elmendorf; and the Huxley Agricultural Club led by George Dixon and Ernest Myer will also have booths telling of their activities.

This year a dress review will be held in the afternoon with the swimming pool as a background setting. The girls should be able to show with a new interest their ensembles which they have made. Exhibits in all the major home-making work are numerous and the minor ones bring many interesting and unusual exhibits. Demonstrations too will be held this year. It has been five years since this department has been very active. Some judging contests will also be held.

The dairy department should be a record year, last year 53 animals were exhibited while this year the goal is 65.

Poultry members are more than active. The Kiwanis Club of Kingston gave this great impetus in furnishing 68 boys and girls with 1475 chicks this spring. Gardens have been good and the entries show now that the garden exhibits will be a nice one. Crafts, hobbies, and records too have a place in the 4-H Club department and entries here are large.

The Ulster County Fair and Farmers Field Day to be held August 18, Wednesday at Forsyth Park in Kingston is free to everyone. It is hoped that the people of Ulster county will come and see these 4-H Club boys and girls compete for prizes. The fair officially opens at 10 a. m. and closes the same day at 5 p. m. Judging will start shortly after 9 a. m., so 4-H Club members are asked to have their exhibits in early.

'Squeeze Play Has a String to It'

Will old-fashioned corsets come back with today's old-fashioned dresses? Here's the choice, ladies—the comfortable 1948 type, modeled in Chicago by Juliet Hamlin, left, or the 1875 fashion, worn by Maribelle Pickell. Juliet is giving Maribelle a hand—and knee.

'Dance Time' at Broadway Theatre

Dance Acts to Feature Weekly Professional Vaudeville Show

It will be "Dance Time" on the stage at the Broadway Theatre on Friday and Saturday of this week when dance sets hold the spotlight on the weekly five-act professional vaudeville show.

Spanish dancers, modern American tap and soft shoe steppers, and dancers on roller skates will be featured, in a bill which will also include a musical glass player and comedians for diversity. One matinee and two evening shows will be presented daily in addition to a first-run screen attraction "A Woman From Tangiers" starring Arlene Jergens.

The Spanish dancers are the fiery young team of Rony LaO and Olga, who come to Kingston from an extended engagement at the Florentine Room in Hollywood. The roller skaters are the "Three Whirls," three pretty young girls who were stars of the recent American Roller Follies which toured the country several years ago.

Slip, Slap and Slide, three young Negro dancers, will uphold the modern dance, with a tap and soft shoe act entitled "Shuffling Around."

Comedy will be supplied by Fields and Georgie, the "Two Kings of Hokus." An unusual closing act will be Marshall Rogers, the "Music Master of the Musical Glasses."

Two Soldiers Sentenced

Yokohama, Aug. 12 (AP)—Two New York army privates were sentenced to prison today by a general court martial for robbing a Japanese of 9,500 yen (\$390 U. S.) and firing on soldiers who tried to arrest them. They are Pvt. Ralph Curcio, 21, of 2308 Crotona St., New York city, sentenced to 15 years, and Pvt. Daniel T. Dorsa, 18, of 25 Highland Ave., Yonkers, 10 years. Curcio was wounded in the exchange of fire with soldiers who cornered the pair after the robbery in a hotel.

Domestic heating in the United States uses about one in every five tons of coal mined in the country.

As Pegler Sees It

Continued from Page Four

the shack at Patterson. On November 4, Max L. Simon, Stephano Spinnello and Rosario Arcuro were indicted on a charge of first-degree murder by the Putnam county grand jury.

Spinnello and Arcuro were alleged to have done the physical killing and Simon was charged with equal guilt on the ground that he had "aided, counseled, advised and procured" the commission of the murder.

On April 19, 1934, Spinnello withdrew his plea of not guilty of murder and substituted a plea of guilty of manslaughter, first degree. He was sentenced to Sing Sing for not less than seven nor more than 20 years.

In June, 1934, Simon was sentenced to serve from two to three years in prison and fined \$2,000 for arson. The conviction was sustained and he served a term in the State Prison at Trenton, N. J.

The second hiring firebug was John Chirichello. Chirichello turned state's evidence and got immunity by testifying against Simon.

Simon's delays and appeals—he is a lawyer himself—kept him out of prison until January 30, 1936. Even then, he served only nine months, being released at a special session of the New Jersey Court of Pardons. Prison life had been not too bad. In prison, he was allowed to continue to edit another paper, a weekly, and was permitted to have steaks and a stove to cook them.

For many years, Simon has been running close to the law in other matters. His specialty was a kind of journalism which sometimes intimidates advertisers and politicians, but not always. Once he got a bad beating, he has long maintained files of delicate personal information on individuals in the community who might serve on grand juries and trial juries.

He is of the same stripe as his heri, Ben Pross, and between them they were in a fine position to squeeze the liquor industry.

Rosario Arcuro, the man who was charged with helping Spinnello to kill Rizzuto, never was caught for trial but was found murdered in the Bronx on August 20, 1934. Simon then had been convicted of arson but was at liberty on bail.

The great second annual benefit and gala for Ben Pross, the swindler, gangster and racketeer of the American Federation, was held last winter at Delmonico's in New York. Simon's paper said the speakers included the Hon. Andrew Edmondson, described as a member of Congress from West Virginia, and said he was given the special privilege of speaking more than the maximum of two minutes allowed to lesser dignitaries. It said also that Mr. Edmondson explained that he had ducked an important Congressional committee meeting in order to pay honor to "a grand guy, my good friend" and so forth, Benny the crook.

Mr. Edmondson has not been a member of Congress since 1942. He has not taken advantage of a written invitation to explain what he was doing in the company of such criminals, if it is true that he was there. Incidentally, although there were many jailbirds of the underworld at the banquet, there were also many hostages, both workers and employers, who had to pay \$15 each.

The Beverage Retailer Weekly reported that J. R. Mandelbaum, assistant regional director of the U. S. Conciliation Service, and Samuel R. Vonic, arbitrator of the New York State Mediation Board, both praised the old thief.

Mr. Mandelbaum's boss, Cyrus S. Ching, said he was satisfied that Mr. Mandelbaum's presence was motivated by the fact that he found Mr. Pross "evidenced a highly cooperative attitude in collective bargaining."

"Mr. Mandelbaum felt that insofar as labor relations with employers were concerned, Mr. Pross's conduct was worthy of emulation," Mr. Ching added.

Actually, Pross shook down Schenley for 1500 cases of booze which went into the black market in the Southern soldier camps during the war, the alternative being that if he didn't get this scarce liquor, he would call a strike against all of Schenley's works. There was no obligation of official duty which compelled Mandelbaum to attend a tribute to one of the most notorious criminals in the union racket.

As to Mr. Vonic, Merlyn Stuart Pizello, of the New York State Board of Mediation, wrote Governor Thomas E. Dewey: "Vonic has had no connection with the New York State Board of Mediation since 1945. Vonic is currently associated with Samuel R. Zack, the man who runs the labor arbitration program on the radio in a consultation business which serves employer clients."

Mr. Simon owned seven weekly papers at the time of his conviction for arson in 1934. He now has ten, including the Passaic

SHOKAN

Shokan, Aug. 11 — Eugene Saakken, a summer visitor of long standing, and Robert Brunt, both of Brooklyn, are camping out in the woods north of the village.

Mrs. Robert B. Peck, Sr., is again at her summer home on the mountain after having spent several weeks in Maine.

Local events this week, other than the Ashokan Methodist Church fair Wednesday, include the bazaar and dance Friday and Saturday evenings at the Olive Bridge fire hall under the auspices of the Olive firemen and the ladies auxiliary.

George Thost has begun the erection of a heavy mesh-wire fence and gates in front of his store property on the north side of Route 28.

Waterworks Days

Friday, Aug. 12, 1910 — Burial at Hurley of Mrs. Horace Boice, the former Mary E. Davis of Hurley, who died Wednesday at age 59. She is survived by her husband, five daughters and six sons.

Among natives of Shokan represented on Kingston bank boards are Zadoc P. Boice and

Fun-filled outdoor eating calls for these fresh, tasty rolls. They're heavenly with hamburgers... fine with frankfurters. 8 in pkg. 15¢

Changing locale and allowing our helicopter to settle down in Greene county, we learn that Vernon Haskins, nature writer for the Recorder-Examiner, has received from one of his admirers in the Oak Hill-Durham sector, a jar of alcohol containing a litter of 14 (count 'em) baby possums, as taken from the mama possum's pouch after that nocturnal prowler had been killed while raiding a chicken flock. This makes a nifty addition to Verne's museum, we wot, and the alcohol may come in handy in case of snake bite or something.

KRUMVILLE

Krumville, Aug. 11 — Mr. and Mrs. Robert Carter and Mrs. John Simpson of Kingston were callers at the home of Mr. and Mrs. Henry Merrihew Sunday.

Mrs. Raymond Markle spent

Sunday at the home of her aunt and uncle, Mr. and Mrs. Floyd Brown in Samsonville.

William Lortz and Mr. George have employment at Croton-on-the-Hudson.

Several from this community attended the fair and supper at the Lyonsville Hall last week.

Lorraine Lortz is visiting her aunt on Sheldon Hill.

Shirley Marie Babcock is spending a week in New Jersey. This community was saddened to hear of the sudden death of Ephraim Krum at the home of his son, Harry, in Olive Bridge. Mr. Krum was in his 80th year and had been a lifelong resident of Krumville. His father, Nathan Krum, was a direct descendant of the Krum who owned a colonial land grant there and from which the community received the name of Krumville. Recently, due to ill health, Mr. Krum sold his farm to John Davis.

Would Back Truman

New York, Aug. 12 (AP) — The Liberal party has been urged by

its trade union council to give President Truman "wholehearted and unstinting support." More than 800 union officials, attending

a council meeting last night, unanimously adopted a resolution calling on the party to nominate Mr. Truman at its September 1

convention. The party, which operates only in New York state, polled 329,235 votes for the Roosevelt-Truman ticket in 1944.

Interested in Milkmen's Anxiety for School Bids

New York, Aug. 12 (AP)—City Investigation Commissioner John M. Murtagh, widening still further his probe of milk pricing practices, is looking into the way distributors have been bidding to supply milk for the school system.

The Board of Education, it was announced yesterday, is preparing detailed figures on city purchases of milk for the children.

Murtagh has reported indication of collusive bidding by some companies on contracts to supply city institutions.

The police department completed yesterday a store-by-store check on prices of plain and homogenized milk in bottles and containers and other data about retail milk prices. Murtagh declined comment on the check pending complete examination of the results.

In 1948, U. S. proven crude oil reserves were at a record high level of more than 21 billion barrels.

Plane Missing

Gunn, Aug. 12 (AP)—A four-engine Navy P-47 fighter with a crew of nine and two acrobats aboard was missing today on a weather reconnaissance flight 450 miles north of Gunn. The big plane, the Navy's version of a Liberator bomber, left the naval air station at Agana this morning and was due back shortly after noon. Planes of Fleet Air Wing One

started a search for the plane when it failed to return. The Navy said the plane would have exhausted its gasoline supply by 1 a. m. Eastern Standard Time.

Last season in which a team was in first place on July 4 and then failed to win the American League flag was 1940. Cleveland led at the mid-way but Detroit took the title.

Finishing Dress

Rome, Aug. 12 (AP)—Rome's leading fashion designers, the Fontana sisters, said today they are finishing a wedding dress for Hollywood starlet Linda Christian, whose dressmaker said the actress is going to marry Tyrone Power Saturday morning. Power, here to make a picture, could not be reached.

Flower Arrangement

Lecture on Tuesday
Miss Frances Dec Troy of
Poughkeepsie will speak on Flower
Arrangement and Display at
the Ascension Parish House, West
Park, on Tuesday, August 17, at
3 p. m. Miss Troy, who is a past
president of the Poughkeepsie
Garden Club and who will serve
again as a judge of the West
Park Flower Show on September
2, will stress the importance of
proper flower arrangement in all
exhibits since many possible rib-
bon-winning entries go unnoticed
by the judges if poorly or care-
lessly arranged. Everyone inter-
ested is invited to attend this
"Judge's eye-view" of how exhibits
are rated in a flower show. Ascen-
sion Parish House is on the river
side of Route 9W at West Park,

Fair and Supper at

Binnewater a Success
The annual fair and supper
held by the Ladies' Auxiliary of
Binnewater Fire Company was a
success, both socially and finan-
cially. Mrs. Oscar Diebold, pres-
ident, thanks all who helped to
make it a success.

The dance held on Friday eve-
ning also was a success. Donald
Andersen, nephew of Mrs. G. Ton-
nesen, played several numbers on
his piano accordion. He is visit-
ing his aunt for a few weeks.
There will be another dance on
August 20 sponsored by the
Ladies' Auxiliary.

Clemency Hearings Postponed by Dewey

Albany, N. Y., Aug. 12 (AP)—Governor Dewey has postponed indefinitely the clemency hearings for three convicted men who may get a new trial in connection with the slaying of a New York city labor leader.

The governor was to have heard the appeals today.

The three, John M. Dunn, 36, and Daniel Gentile, 40, both of Queens, and Andrew Sheridan, 46, of Jersey City, were convicted in the shooting of Andrew Hintz, a boss stevedore. They have been sentenced to die Aug. 26.

However, Sheridan recently signed an affidavit declared the other two had no part in the slaying.

The governor's office said yesterday that General Sessions Judge George L. Donnellan had requested postponement of the clemency hearings "pending a new trial."

Donnellan will hear arguments Monday on a motion for a retrial of Gentile and Dunn.

Police Inspector Killed In Force's Own Ambush

Mt. Vernon, N. Y., Aug. 12 (AP)—A police inspector was shot and killed last night when he walked into a police ambush set for an expected safecracker.

The victim was Frank J. Mascari, 45, a police veteran of 23 years and second in command of the Mount Vernon police force.

Chief Inspector William P. McDonald said Mascari was felled in a burst from an automatic riot gun fired by Detective Daniel Scannell.

Scannell was suspended from the force early today, pending routine investigation, McDonald said.

Scannell was one of two detectives guarding the plant of the Consolidated Laundries after

police received a tip that three New York city gunmen would try to loot the plant's safe, and that one of them was known to have the safe's combination.

McDonald said Mascari and two other detectives, "believing something was about to happen," went to the laundry about 9 p. m. As they entered the building, McDonald said Scannell and the other detective saw only "three shadowy figures" and mistook them for the three gunmen for whom they were waiting.

Scannell fired, hitting Mascari, and the other detectives fell to the floor and were not hurt, McDonald said.

The ambush had been set up since Monday night.

Citizenship School Is Attended by Home Bureau Folk

Chairmen of citizenship in various Home Bureau units of the county attended a citizenship training school at the Home Bureau office on Wall street yesterday from 10 a. m. to 3 p. m.

Mrs. Arthur Jorgensen of New Paltz, county chairman on citizenship, was in charge. She was the delegate of the Ulster County Farm Bureau at the Home Bureau Federation Training School at Ithaca in March.

The school dealt with elections

and regulations on voting in New York state and the information will be used in programs of the various county units this year.

The chairmen of citizenship from the following units attended: Mrs. J. Carpenter, Hurley; Mrs. S. Abrahams, Kerhonkson; Mrs. Robert Kelder, Kripplush; Mrs. R. Johnston, Lake Katrine; Mrs. Carl Eddy, Lomontville; Mrs. Edward Young, Milton; Mrs. Ralph Johnson, New Paltz; Miss Cecelia Goldpaugh, Sawkill; Mrs. Vincent McGarry, Tobarco and Mrs. Wilbur VanWyck, Wallkill.

Kingston Days Friday and Saturday will be observed as Kingston Days at the Sylvan Shop—not Thursday and

Friday as erroneously advertised in Wednesday's issue of The Freeman.

Major League Roundup

By The Associated Press

Pennant fever is mounting in Philadelphia today. Connie Mack's outstanding Athletics once again are only a hair's breadth out of first place in the American League's tugging pennant battle.

The A's, who on a number of occasions have been down and ready to be counted out of the struggle, moved to within .0001 of a percentage point of the front-running Cleveland Indians last night with a thrilling victory over Washington while the Indians divided a two-light-night doubleheader with St. Louis.

Connie Mack's hustling club has won 65 games and lost 43 while the Indians have topped 62 victories and suffered 41 defeats. Since the A's have played more games, they are a half game ahead of the Tribe, but Cleveland has the better won-lost percentage, .6019 to the A's .6018.

Philadelphia came from behind and beat the Senators, 8-3, while the Indians, after downing the Browns, 7-5, were crushed, 12-4, in the second game.

Sam Chapman and Carl Scheib were responsible for the Athletics' triumph. The Mackmen were behind, 3-2, going into the top of the seventh when rain halted the game for 47 minutes.

When play was resumed, Scheib took over from Phil Marchildon and set the Senators down in order. The Athletics promptly came to life in their half of the seventh and scored six runs, with Scheib doubling home two and Chapman accounting for the remainder with a grand-slam homer.

At St. Louis, Bob Lemon, with help from Satchel Paige in the seventh, gained his 15th victory for the Indians in the opener. The Indians were leading, 7-3, when the Browns drove Lemon from the hill during a two-run seventh-inning rally.

Joe Gordon, Dale Mitchell and Jim Hegan led the Cleveland attack with three hits each. One of Gordon's hits was his 22nd homer.

Rookies Face Browns
Hefty clubbing by Rookies Hank Arnt and Dick Kokos ruined the first inning in the nightcap. Arnt drove home four runs on a homer, double, and single and Kokos knocked in three mates with a

pair of two-baggers and a single.

The third place Boston Red Sox remained two games behind the A's, beating the Yankees, 5-2, in a day game at New York.

The Sox overcame a 2-1 deficit with a two-run rally in the fifth and sewed it up with two more markers in the seventh. One of the seventh-inning runs came on Ted Williams' 19th homer of the year.

In the only other night game in either circuit, the White Sox nipped Detroit Tigers, 2-1, at Chicago. A wild pitch by Virgil Trucks enabled Dave Philley to score from third with the winning run in the eighth inning.

The Boston Braves maintained their three-game lead over the Brooklyn Dodgers and St. Louis Cardinals in the National League race, beating the New York Giants, 4-3, while the Dodgers and Cards also won.

Home runs accounted for the Boston scoring. Jeff Heath poked a three-run homer and Bob Elliott one with the socks empty.

The Dodgers noted out the Philadelphia Phillies, 3-2, in Brooklyn as Marv Rackley singled home Billy Cox with the winning run with two down in the ninth inning.

The Philadelphia runs came on round-trippers by Dick Sisler and Eddie Miller.

Musial Clouts 28th
At Cincinnati, the Cardinals, led by Stan Musial thumped the Reds, 9-4. The Red Birds tallied once in the first on Musial's 28th four-bagger and six times in the second. Musial doubled home three runs in the Cards' big inning.

The Pittsburgh Pirates moved within a half game of the fourth-place Giants as Rip Sewell exercised his mastery over the Chicago Cubs by a 4-2 triumph. It was Sewell's 30th victory over the Cubs since he entered the league.

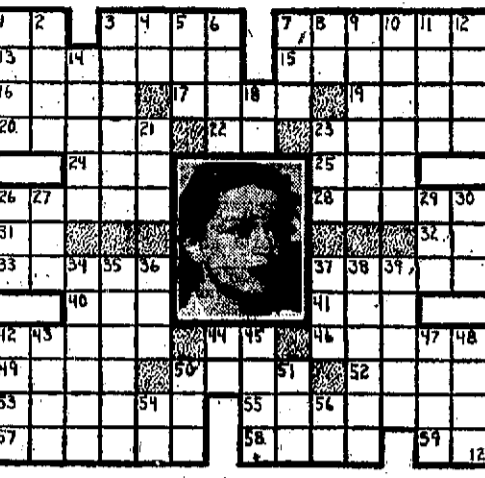

Dick Walker broke a 2-2 tie by singling home two runs in the seventh inning.

Demon Hanover Wins 23rd Annual Hambletonian Derby

Goshen, N. Y., Aug. 12 (AP)—A check which almost wasn't proved a happy, profitable investment today to Harrison Hoyt. The owner of the 1948 Hambletonian winner, Demon Hanover, took a \$200 gamble and cleaned up \$32,500.15.

The Demon, who proved to be just that yesterday as he zipped to straight-heat victories in the 23rd Hambletonian at Good Time Track, almost wasn't nominated to America's premier trotting derby.

Demon Hanover captured the first heat before a record 20,000 crowd, then returned an hour later to repeat the process, even more easily than in the initial trial. The son of Dean Hanover, who at the way both times, with Coldstream and the son of C. M. Saunders' Egan Hanover, second and third on both occasions.

Hoyt disclosed later that when it came time for the initial \$200 payment in 1946 to nominate for the Hambletonian, he debated whether it was worth the chance. Demon Hanover had cost him \$2,600 in the Harrisburg (Pa.) sale, but there was nothing to indicate he was any world beater.

"I turned it over in my mind, then put the check in an envelope and kept it in the mail quicker by before I had a chance to reconsider," he said.

Hoyt, a 38-year-old Bethel, Conn., hat manufacturer, is the first amateur driver ever to capture the harness world's most prized race.

Gamble Pays Off
But Hoyt took the gamble, refused a \$75,000 sweepstake, and came through like one of the pros.

The Hanover (Pa.), Shoe Farm, breeder of the Demon, made the offer, but Hoyt said no. After his smashing triumph yesterday, however, Hoyt said he might consider selling now, but Hanover was not interested. Part of the bargain was consideration of the big Hambletonian cash reward.

The colt was clocked in the second mile heat at 2:02 flat, after touring the triangular Good Time course in 2:03 1/5 in the initial heat.

The odds-on favorite, his pay off for the first trial was \$3,700, \$2,800 and \$2,500, and for the second, \$2,900, \$2,300, and \$2,100.

Hoyt, who has only one other horse in his "stable," said Demon Hanover probably would remain on the eastern raceways for the present, moving to Lexington, Ky., later.

Although he's considered an amateur, because he owns, trains, and drives his own horses, whereas the professionals are those who bring for others, Hoyt was no amateur when he dropped out his Hambletonian strategy.

In most of his previous races, Hoyt had brought Demon Hanover from behind to win. He fooled the pros yesterday, however, sending the Demon out from the start to take the lead, hold it, and give the harness sport one of the biggest "shots in the arm" in its history.

Federation League To Hold Playoffs

Post-season playoff games have been set for the Federation of Protestant Churches Softball League following the regulation three rounds. The playoffs are expected to begin this week.

The First Baptists, winners of the first round, will oppose Fair Street Reformed Church, winners of the third round. The Port Ewen Reformed muckers, second round winners, will oppose the Ponckhockie Congregationalists, the remaining team in the league showing the best composite won and lost record for the three rounds.

The composite standings for the three rounds of play follow:

First Baptists 12 3 800
Port Ewen Ref. 10 5 867
Fair St. Reformed 8 7 533
Ponckhockie Church 7 8 467
St. James Meth. 5 10 333
First Dutch 3 12 200

Softball Scores

Vets Trip Oilers

With Mort Gazlay hurling three-hit ball, the Veterans of Foreign Wars scored a surprise 4 to 1 victory over the Newcombe Oilers Wednesday night.

Gazlay was opposed by Harold "Chick" Smith who permitted nine blows.

The Vets clinched the contest early when Norton, Stolz, Grunewald and White, bashed out singles in the second. Grunewald later romped in on a wild pitch by Smith.

The Oilers scored their only run in the first on Ed Higgins' double. He scored on White's overthrow to second base.

Gazlay and White worked for the winners while Smith and Higgins formed the losing battery.

Royals Trim Subways
Scoring two runs in the first, three in the third and a final cluster of two in the bottom half of the fourth, the Royal Grills muckers posted a 7 to 2 victory over the Subway Grill Wednesday night at Sahler's diamond.

The losers scored their pair of runs in the last frame.

Don Weeks, veteran softball chucker, went the route for the winners and pitched superb ball. He only allowed three hits. He bested Al Hunt, another topflight mucker, who was reached for eight hits.

Stellar fielding was turned in by Bosco of the winners who made two sensational catches to stop a scoring threat.

S. Woods and Coughlin paced the Royals with two hits each. Bosco poked out a double and knocked in two runs. Scholar Subway Grill, collected a pair of hits.

Score by Innings:
Subway Grill 000 000 2-2
Royal Grill 203 200 x-7

There have been 84 no-hit games pitched in the major leagues since the turn of the century.

Bard Playhouse Nears Season's End

Annandale-on-Hudson, Aug. 12 — Bard College Playhouse, which presented a wide variety of shows this summer, including benefit performances for civic enterprises, closes its season this week with "Our Town," Thornton Wilder's Pulitzer prize play of American life.

Curtain time tonight is 8:30 o'clock, and the same hour will be observed Friday and Saturday, the concluding date of the show and the seven-week season for the theatre which operated for the first time this year.

Our Town has a large cast, including the entire Equity company of Bard Playhouse and many residents of the local community. It is an outstanding play that will furnish as much entertainment and relaxation as the other shows, running from the American comedy classic "Life With Father" to the pre-Broadway troupe of Two Dozen Red Roses.

Hospital, Youth Gain
The two benefit performances given at the Playhouse netted several hundred dollars for the Northern Dutchess Health Center at Rhinebeck and the Red Hook Student Loan Association. Aside from these two shows,

there was a special matinee for children from the Marks Memorial Camp (New York Herald Tribune Fresh Air Fund) and from Ward Manor.

Press, Radio Assist
The Bard College Playhouse received the generous support of press and radio in this community venture. Publications and radio stations which gave considerable space and time to the venture include The Kingston Daily Freeman, the Red Hook Advertiser, the Hudson Daily Star, the Hudson Register, the Rhinebeck Gazette, the Poughkeepsie New Yorker, Ulster County News, the Catskill Daily Mail and Stations WKIP and WKNY.

Sponsored by almost 200 members of neighboring communities, the Bard Playhouse and Summer School of the Theatre also was assisted by an advisory committee of 22, which met regularly before and during the season. An additional feature of the program was the weekly art and crafts exhibitions from schools throughout Dutchess and the Myron J. Michael School, Kingston, through the courtesy of Principal Clifford Hall.

As part of the Bard College program, the professional Equity company and staff of the Playhouse also formed the faculty of the Bard Summer School of the Theatre. The student appren-

tices at the school received instruction in theatre arts and techniques in addition to working in and on productions at the Playhouse.

Maverick Musical Delights Opening Night Playgoers

Woodstock, Aug. 12—A prescription for letting one's cares roll away through laughter and plenty of it will be filled by the Maverick Summer Players this week judging by the performance and audience reaction of the opening presentation Wednesday night.

"Get Away," a musical revue in two acts by Bob Guest, the versatile young playwright actor, is significant of its title and with the exception of a very few inconsequential contributions, they certainly will get the average playgoer away from the more common things of life. The revue continues at the Maverick Summer Theatre, through Sunday, August 15.

The cast is the largest seen at the theatre this season. Although Bob Guest is the star of the production, everyone in the cast worked hard and apparently enjoyed doing so, to assure the audi-

ence an evening of many laughs and just plain good fun.

Merle Marliano, responsible for the choreography in the revue, presented a charming solo dance. Patty Gilmore, Kay Dawn and Tom Reddy were fine in their specialties. Others appearing in the revue were Kathy Guilford, Russ Bernhardt, Helen Bernstein, Clifford Kirwan, Roy Graves, Allen Brown, Al La Fiore, Tony Phillips and Richard Williams.

David Fairbanks, Woodstocker, arranged and played the music for the production. The Ghost of An Old Love, sung by Tom Reddy and danced by Kay Dawn and Roy Graves seemed to particularly please the audience.

nounced the time of making entries will be extended to Monday, August 16, to help the situation. At present 22 spaces have been reserved for educational exhibits, 12 for Grange exhibits and 31 10-foot spaces for commercial exhibits. This will make the most extensive commercial display ever seen at the field day.

The 4-ft style review around the edge of the wading pool will also be an added attraction this year and several other features will be continued.

Admission is free and it will be conducted for only one day. The cost is shared by exhibitors and the sale of commercial display space. The food concession will be operated again by the women of the St. James Methodist Church. It is a combination of a county fair and farmer's picnic. If it is a nice day as many as 8,000 persons will be in attendance, Kurdt predicted.

The Chamber of Commerce and the Kingston Recreation Department are cooperating in staging the "Farmer's Field Day Olympics" in the adjacent municipal stadium. Cash prizes will be awarded in 18 different athletic events for young people. Entries are open to the entire county. At least 500 young people will participate in the games.

The 4-ft Club Department will be housed in two new tents which will add to the attractiveness of the entire setting at Forsyth Park.

The Horseshoe Chinchilla Ranch of Hurley will have several Chinchillas on display. These small fur-bearing animals are now valued at over \$1,000 for a pair of breeders. They are expected to attract considerable attention.

'Y' Boys Plan Overnight Camping Next Wednesday

Twenty-five boys from the Y.M.C.A. visited DeWitt Lake Wednesday and enjoyed swimming, boating and a picnic. The boys later covered the grounds of Pine Knoll Camp where they will have an overnight trip next Wednesday.

On next week's outing, the boys will bring frankfurters and hamburgs for a roast at the camp Wednesday night while the "Y" will furnish baked beans and dessert. All boys attending are requested to bring three blankets, swim trunks and a towel. The entire group will be under the supervision and direction of Clarence W. Correll, director; John Vertetis, Edward Bruck and the assistant junior leaders. Further information may be obtained by calling 1100.

Boys making yesterday's trip were Richard Dempsey, Robert Sember, Bernard Quinn, Leslie Foster, Cornelius Keyser, William FuBois, John Janaki, John Stewart, William Gudy, James Playford, Walter Holsoapple, Gordon Purcell, Joseph Benkert, Jack Effner, Thomas Mooney, Jack Morris, Robert Sgroi, Ray Glass, Kenneth Hyatt, George Dahl, Robert Chase, Edward Rhymer, Thomas Rundle, John Van DeMark and John Atkins.

Youth Center Dance
Another square and round dance program will be held at the Y.M.C.A. Youth Center tonight. Bill Brown's orchestra will furnish music for dancing.

Juncadella said he did not recognize any of the bandits.
The manager said a preliminary check indicated the thieves took a total of \$562,000 in U. S. dollars and Cuban pesos. The peso has the same value as the dollar. He said \$385,000 was taken from the vault and the balance from the cashier's window. All of it was in bills of \$100, \$500 and \$1,000 denomination, both Cuban and American.

Loss Insured
A bank spokesman said the entire loss was covered by insurance. Police said the bank had no alarm system.

The robbers left behind 40,000 one peso bills, apparently because of the bulk and \$115,000 in other small denomination bills. Evidently they overlooked \$15,000 in 500 peso bills.

About a half hour after they entered the bank, the thieves sauntered out, their loot wrapped up in a typewriter and adding machine covers.

It was the third bank robbery in Havana's history and the largest.

TAKE THE SIMMER OUT OF SUMMER!

In summer the hot sun beats down upon your home day in and day out.
If the sun's heat can pass through the roof and walls of your house, that means many a sweltering day and stifling, sleepless night for you and your family.
Barrett Rock Wool Insulation will block the passage of this summer heat into your home... will keep even those upper bedrooms 15° cooler... will keep you comfortable through the worst of the summer's heat waves.
You'll say it's well worth the modest cost to be able to enjoy "the good old summer time" in comfort.
Let us give you a free estimate.
